Sola adds further geological expertise to Board of Directors

Dr. William Pfaffenberger, CEO of Sola Resource Corporation (“the Company”), is pleased to announce the appointment of Mr. Jody Dahrouge of Edmonton, Alberta to the Board of Directors of the company.

Mr. Dahrouge is a professional geologist with over 20 years of exploration experience both in Canada and internationally. He has managed a plethora of mineral projects, ranging from “grass roots” exploration to the level of mine development and production.

Mr. Dahrouge has, since 1998, owned and operated Dahrouge Geological Consulting Ltd., a successful private Edmonton-based firm. Dahrouge Geological designs and manages mineral exploration and development programs for both junior and senior mineral resource companies.

He is a graduate of the University of Alberta's Geology program (B.Sc. 1988) and Computing Science program (Sp.C 1993). Mr. Dahrouge is a registered Professional Geologist in Alberta and British Columbia. He is, in addition, currently a director of Commerce Resources Corp. and Fission Energy Corp.

We seek safe harbor.

ON BEHALF OF THE BOARD OF DIRECTORS OF SOLA RESOURCE
CORP.

“William Pfaffenberger”
